PROFESSIONAL EXPERIENCE

BLUESTEM BRANDS

Vendor Compliance Analyst

Eden Prairie, MN

(February 2022 - present)

- Provide exceptional support to suppliers and internal stakeholders with issues related to vendor compliance programs.
- Analyze and identify non-compliant issues, create reports, and issue infractions to offset rework expenses, drive improvements and offer better customer service.
- Work closely with different departments, such as warehouse receiving, accounts payable, merchandising, business intelligence, and transportation teams.

BLUESTEM BRANDS

Merchandising Specialist

Eden Prairie, MN

(February 2021 - February 2022)

- Set up and maintained product data on Fingerhut.com for Athletic Apparel, Footwear, and other categories as required; assisted vendors with product onboarding and troubleshooting.
- Worked with suppliers and internal stakeholders to ensure that images, descriptions, and prices were accurate; collaborated with the Creative and Marketing teams to provide images/samples to use in seasonal catalogs.
- Participated in the Product Information Management (PIM) system replacement project as part of the team responsible for evaluating new system capabilities and requirements.
- Trained and mentored a new Merchandising Specialist for the Fashion and Work Footwear department.

TARGET CORPORATION

Team Member - Style (Store #2313)

Edina, MN

(April 2020 - January 2021)

- Replenished items on sales floor; back stock; greeted guests, maintained appearance of area.
- Responsible for weekly inventory; learned how to more effectively use the RFIDScanner device to cut task time in half from 6 hours to approximately 3 hours.
